

About our school safety

We have scaled up our efforts to ensure the safety and well being of your words, while in school, Here is brief appraisal of the steps we have initiated:

The school has a very well-defined system which is fully compliant with the present laws and guidelines. The following safety and security measures are strictly adhered to in LMS, Sector-29, Noida for the well being of all students.

- ❖ The campus is secured and even the parents are not allowed to enter the premises without their I.D. proof.
- ❖ Entry is stationed by security guards at the school gate.
- ❖ Students and workers always be in possession of their I.D. Card.
- ❖ Install CCTV in all Nooks and crannies of school premises.
- ❖ First Aid for the initial & quick treatment to a victim of injury, And it prevents victim's condition from becoming worse.

It helps to children to feel secure.

Teachers are aware of the fact that they can treat students easily in case an accident occurs.

- ❖ Swimming Pool
 - Children swim in designated areas, supervised by lifeguards.
 - Children always swim with a buddy; do not allow to swim alone.
 - Never leave a young child unattended near water and do not trust a child's life to another child;
 - Have young children or inexperienced swimmers wear life jackets around water, but do not rely on life jackets alone.
- ❖ Extinguisher
 - School has fire extinguishers to provide effective fire protection.

- School has trained staff, Who are able to locate children quickly in the event of an emergency fire situation.
- All buses have already installed with speed Governors, GPS devices and CCTV cameras.
- The transport department has ensured that the contractors have done the police verification of each driver & Helper. The copies of their identity cards (Aadhar card or driving licence etc.) are in the school's records.

❖ Meditation

- Sahaja Yoga is a unique method of meditation based on an experience called self Realization that can occur with each human being.
- Through this process an inner transformation takes place by which one becomes moral, united, integrated and balanced.
- We would like to assure you that the school provides a healthy safe and secure environment for each child under our care.
- We rely on your full hearten support and cooperation in making the school safe for our children.

Safety in Computer lab (Cyber safety)

- Students are not allowed to access internet .
- Awareness about cyber crime , proper use of computer/internet is given to students as well as parents time to time through workshops.
- Internet connection is provided on few of the computers . Those computers can be used only by the teachers/admin staff only to complete designated task.
